#### **About Chaarat Gold**

Chaarat Gold is an exploration and development company operating in the Kyrgyz Republic. The Company's main activity is the development of the Chaarat Gold Project situated within the Middle Tien Shan Mountains of Kyrgyzstan, which form part of the Tien Shan gold belt. The Company has delineated a JORC compliant mineral resource of 4.736Moz at a grade of 4.28g/t gold. Chaarat's key objective is to become a low cost gold producer; with initial production from the Tulkubash project, targeting increased combined annual production of over 200,000 ounces as the full project comes on stream.
