SUCCESS STORY IN KYRGYZ REPUBLIC - HTP

High Tech Park of the Kyrgyz Republic (HTP) was created in 2013 after all governmental approvals were received. It should be noted that a of today high tech park is acting like association where IT companies are registered – without physical infrastructure.

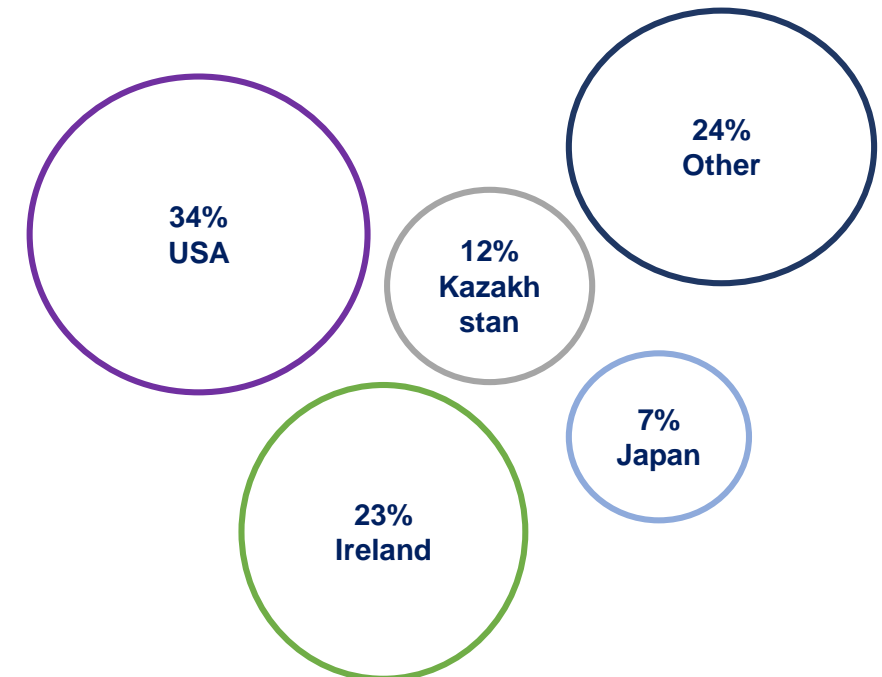

Turnover of the HTP has doubled each year from 1.16MM in 2014 to 7.5 MM in 2017.

From 2013 indicators at HTP started to double!
